Hi Sonja – sorry I didn't respond earlier – I was in court and then I went to lunch. Thank you so much for your help on this – a fax is absolutely fine. I hope you had a great time at MOCA last week, it was nice to see you! Take care!

Rachael-

I just heard from Dana Parsons that the defendant in my case tomorrow has plead, so I won't be in Pittsfield tomorrow after all. I'll try to fax you the discovery packet instead - it is kind of large (28 total pages), so I may have to break it up into two faxes, but I'll make sure I number the pages.

Hi Rachael-

I should be done with the defense's Motion of Discovery packet later today and am curious if you'd like me to fax it to you (at 413-499-6349?), or, since I am scheduled to be in Pittsfield tomorrow, I could always give it to you then (if you are going to be there) or drop it off at the District Attorney's Office on North Street. Just let me know. Thanks.

Sonja
